

**Name:** Truong Manh Dung

**Email:** truongmanhdung115@gmail.com

**Address:** Thanh Xuan Trung, Thanh Xuan District, Ha Noi

**Phone:** (+84) 901462605

**Website:** <https://portfolio-5cdr.vercel.app/>

---

## 1. EDUCATION

**HUS High School for Gifted Students**

GPA: 9.5/10

2022-2024

**Luong The Vinh Middle School**

GPA: 8.4/10

2018-2021

---

## 2. TEST SCORES

- **SAT:** 1400 (Verbal: 600 | Math: 800)
  - **IELTS:** 7.0 (Reading: 7.5 | Listening: 8 | Speaking & Writing: 6.5)
- 

## 3. HONORS AND AWARDS

- **Gold Medal**, International AI Innovation and Research Competition, AI JAM US 2024, Project: "AIoT Air Quality Monitoring" | April 2024
  - **Gold Medal**, 48th International Invention Show INOVA in Croatia | October 2024
  - **Special Prize**, Mathematics at Exploration Creativity Contest, Vietnam National University | 2024
  - **Silver Medal**, Iran Geometry Competition (Intermediate Level) | November 2021
  - **Gold Medal**, Mathematics at HSGS Olympiad | May 2023
  - **First Prize**, Cau Giay District Mathematics Competition | March 2022
  - **Consolation Prize**, Hanoi City Mathematics Competition | April 2022
- 

## 4. PUBLICATIONS

**Co-Writer**, *"Exploration and Creativity 2023"* | August 2023

- **Co-authored** Chapter 7: "Extension of a Geometric Problem in USAMO 2023"

**Published Article**, *International Journal of Advanced Research in Computer Science (IJARCS)*:

- **Title:** "A Classification Method for Insects using Data Augmentation and Deep Neural Networks"  
**Volume 15, Issue 2**, March – April 2024. <https://doi.org/10.26483/ijarcs.v15i2.7070>
- 

## 5. LEADERSHIP

**Leader**, *Mathematical Research Team* | April 2023 – August 2023

- Led the Exploration Creativity Contest in Mathematics 2023 (Topic: Extension of a Geometric Problem in USAMO 2023)

- Supervised a team of 6 researchers, delegated tasks, managed the process, and collaborated with the supervisor, editor, and publisher

**Leader**, *Mathematical Research Team* | January 2024 – May 2024

- Led the Exploration Creativity Contest in Mathematics 2024 (Topic: Introduction of Combinatorial Problems).
- Supervised a team of 5 researchers, managed the process, and provided guidance.

**Participant**, *Global Link Contest, Singapore* | July 2024

- Developed an efficient AI-driven platform for disease detection using X-ray image analysis.
- Improved diagnostic accuracy, speed, and accessibility.

**Founder**, *Charity Run Project* | April 2024

- Organized a fundraising run, about 40 members, raising 20 million of VND to support hemophilia patients at the National Institute of Hematology

---

## 6. PERSONAL PROJECTS

**Developer**, *Robot for Supporting Tuberculosis Patients* | 2023 – Present

- **Transporting Essential Items and Medicine:** Implemented autonomous navigation using Raspberry Pi and motor drivers.
- **Automatic Disinfection:** Equipped the robot with a disinfection system capable of sanitizing rooms and air spaces.
- **Remote Monitoring:** Integrated sensors and live video streaming for patient monitoring via a mobile app.
- **Air Quality Monitoring:** Monitored dust levels, temperature, and humidity using sensors (ESP32 module).

---

## 7. EXPERIENCE

**Intern**, *Mitalab Group (Vietnam's Leading Medical Equipment Company)* | Summer 2023

- **Learned** about the installation and operation of chemistry equipment.
- **Gained experience** with circuit boards and electronic components.
- **Assisted** technicians in equipment setup and troubleshooting.

---

## 8. OTHER ACTIVITIES

**Charity** *SOS Children's village Hanoi* | September 2024

- **Assisting** the SOS Children's village Hanoi as a sponsor.
- **Organizing** activities for kids at the village on the Moon Festival 2024

**Charity** *Social Support Center II Hanoi (Department of Labour, War Invalids and Social Affairs)*

- **Donated** necessities to 180 elderly individuals and people with disabilities, provided scholarships to 20 underprivileged secondary school students | October 2024

**Habit** *running every day and participate many international, national Marathon Running* | 2023 - 2024
